IN THE CLAIMS

Please amend claims 1-18 as follows:

*Sub C*

*B*

1. (Amended) A method for displaying phases in which components of a system for providing a web architecture framework are delivered comprising the steps of:
  - (a) displaying a pictorial representation of an existing system including a plurality of components;
  - (b) presenting a first set of components of a system for providing a web architecture framework that are to be delivered in a first phase by indicia coding the same; and
  - (c) presenting a second set of components of a system for providing a web architecture framework that are to be delivered in a second phase by indicia coding the same in a manner unique with respect to the indicia coding of the first set of components.
